MESSAGE FROM DR. RAYMOND CHO

**Canadian Association of Chinese Performing Arts
*Toronto Dragon Festival 2022***

As MPP for Scarborough North, I am delighted to offer my warmest greetings to everyone attending the *Toronto Dragon Festival 2022* hosted by the Canadian Association of Chinese Performing Arts.

This annual festival promotes multiculturalism to the community through showcasing Chinese performing arts and various Asian street cuisines. Not only that it serves as a wonderful celebration of Chinese traditional culture, it is also an interactive cultural experience that encourages cultural awareness by bringing many ethnic groups together.

It is not an easy feat to bring back this annual event since 2018 for the third time following a two-year hiatus due to the COVID-19 pandemic. Kudos to the Association for preserving through the hardships to organize the comeback of this festival. This year's event will also be remembered as a great showcase of the strength and resiliency of our diverse cultural communities.

I wish everyone in attendance an enjoyable and memorable time at the return of the annual festival.

Sincerely,

Dr. Raymond Cho
