Personal Greetings from Councillor Cynthia Lai 多伦多市议员赖桂霞贺信

I am pleased to send my warmest greetings to all those in attendance at the Opening Ceremony of the *3rd Toronto Dragon Festival (2022)* organized by *Canadian Association of Chinese Performing Arts (CACPA)*. The annual festival gives Torontonians a chance to enjoy Chinese tradition and culture.

Ethnic art is an incredible force for the socio-economic development of Toronto and contributes to the energetic cultural landscape of our great city!

I applaud CACPA, sponsors and volunteers for making this festival a resounding success. Please accept my best wishes for an enjoyable and memorable experience!
