MESSAGE FROM REGIONAL COUNCILLOR ALAN HO

I am pleased to warmly welcome everyone attending the Opening Ceremony of the 4th Toronto Dragon Festival (2023) hosted by the Canadian Association of Chinese Performing Arts (CACPA).

The Toronto Dragon Festival 2023 aims to promote Canadian multiculturalism by sharing Chinese traditions, culture, and arts with people of diverse backgrounds. This annual event will be held at Nathan Phillips Square from Sept. 1-3, 2023, featuring a range of activities including Chinese folk music, waist-drum dance, modern youth dance, fashion show, Tai Chi/Martial Arts on water, ethnic music and entertainment by local artists, interactive Chinese cultural activities, and a variety of delicious Chinese and Asian street food.

As the Regional Councillor and the Chair of the Culture & Economic Development Committee, I commend the organizers for this event that beautifully showcases and celebrates Chinese traditions while promoting multiculturalism, making it a delightful experience for people of all backgrounds.

Please accept my heartfelt wishes for a successful conference.

Sincerely,

Alan Ho
