I am pleased to congratulate the

Canadian Association of Chinese Performing Arts

on the occasion of the

2023 Toronto Dragon Festival

It is my distinct pleasure to extend greetings and a warm welcome to everyone participating in one of Toronto's most anticipated festivals, the 2023 Toronto Dragon Festival, presented by the Canadian Association of Chinese Performing Arts (CACPA).

Featuring a splendid water show, dragon and lion dances, traditional fashion show, Kung Fu demonstrations and delicious Asian cuisine, the 4th Toronto Dragon Festival will provide a rich tapestry of entertainment for Torontonians and visitors from around the world.

I deeply appreciate your concerted efforts to create this great platform for cultural exchange through this joyous festival showcasing the diversity of Chinese culture. I commend you for your dedication to creating an inclusive environment where all participants can engage in fun, interactive activities that promote harmony, peace and solidarity.

Sincerely,

Nick Mantas
